8th December 2011

Sheila Windridge
Founder and Trustee Edirisa UK

Dear Sheila,

Re: Water Tanks for Compassion Assisted Children

Greetings from us all in Kigezi.

This is to acknowledge receipt of Ushs 10 million for ferrocement rainwater tanks (4,000 litre capacity) for Compassion Assisted Children at Buranga Child Development Centre that was transferred into our bank account on 25th November 2011. We do appreciate this donation that is earmarked for the less fortunate children.

Most construction materials have been delivered and the skilled man power has moved into the community. Cement will be delivered as work progresses. We hope to have the work completed in a matter of weeks.

May the Lord bless your resources accordingly. We shall keep you informed of the progress.

Yours in Christ

Rev. Reuben Byomuhangi
PROGRAMME CO-ORDINATOR
