MADAM SHELLA WIN

DEAR MADAM

RE: COMPLETION OF THE BUILDING AT
KYABAHINGA P/S. BY KARUHIZE GEORGE
THE CONTRACTOR 2009.

I wish to thank you for the love
at heart, work done for our schools:
KYABAHINGA, BUFUKA, KYABIREEGYE
and KITANGA P/School disabled.

However, the contractor for your
information has already completed
the building at Kyabahinga P/S.

This is therefore to remind you
that the Nursery which is to
start early next year, has not
the following requirements:

- (a) One VIP Latrine for the boys with
five stances.
- (b) and another one for the girls
five stances.
- (c) a Kitchen for cooking
- (d) a store building and a library.

We hope that your promise
is going to be acted upon soon.

May God the Almighty bless
you in all!!

Yours in service
