THE REPUBLIC OF UGANDA

OFFICE OF THE
CHIEF ADMINISTRATIVE OFFICER
KABALE DISTRICT LOCAL GOVERNMENT
P.O. BOX 5
KABALE - UGANDA

Date: 20th February 2010

Dear Mrs Windridge,

We are writing on behalf of the people and councillors of Kabale District Local Government to offer our sincere thanks for your very kind and generous donations to the building and development of the Special Needs Education Centre (SNEC) at Kitanga Primary School.

Your donations have funded the renovations of the classrooms and dormitories and have provided new beds, mattresses and bedding for all the children. The kitchen equipment you supplied, has been used daily and you will be pleased to know that the contract for building a new kitchen has been advertised. Your financial support for staff salaries was vital to the school remaining open last year.

The delivery of tables and chairs , ready for the start of the new academic year will ensure that the children in SNEC will be able to learn comfortably and the teachers will now be able to use more active teaching methods.

Your recent agreement to fund a water tank will facilitate the provision of a comprehensive supply of safe water for drinking , cooking and showering for the school. We anticipate that SNEC will admit 72 pupils at the start of the term in February and we have planned further training for the teachers to ensure that all the children receive the education that meets their needs.

It is the intention of the District Council, with the support from donors like yourself to provide more Special Needs Education Centres for children with disabilities and special needs, throughout the District.

May we once again express our deep gratitude to you. We hope that we will be able to meet you and thank you in person on your next visit to Kabale District.

Yours sincerely,

CHIEF ADMINISTRATIVE OFFICER
KABALE DISTRICT

Maira Mukasa Joseph
